Subject: February 2018 Stats for Hyde Foundation

1. Violent Crime

1. February 2018: Violent crime was down 3.4% comparing February 2018 to February 2017.
- Note: As of February 25<sup>th</sup> Violent Crime was down 9.0% comparing MTD stats for February 2018 to February 2017. The last three days of the month there was a series of Aggravated Assaults, Carjackings, and Robberies that eroded our progress. This was highlighted by the group that committed multiple robberies in Appling Farms Station. See press conference on 03-02-18.

2. Year to Date: YTD to date (as of February 28<sup>th</sup>): Violent Crime was down 7.7% comparing 2018 to 2017

2. Overall Crime

1. February 2018: Overall Crime was up 7.7% comparing February 2018 to February 2017.  
Note: This increase is attributed to increases in Motor Vehicle Thefts (MVT) (+55%) and Theft from Motor Vehicles (TFMV) (+12%)
2. Year to Date: Overall crimes is up 5.6% comparing YTD 2018 to 2017 as of February 28<sup>th</sup>.  
Note: This increase is attributed to increases in Motor Vehicle Thefts (MVT) (+51%) and Theft from Motor Vehicles (TFMV) (+20%)

Despite efforts to educate the public, every precinct is reporting multiple MVTs with the engines left running while victims go inside businesses. Every precinct reports TFMVs where doors are left unlocked and valuable items are left inside vehicles. These items include firearms, computers, and other electronics.
